Government Code Section 84308, 2 California Code of Regulations 18438.1, Et Seq

No Commissioner of the Riverside County Transportation Commission shall receive or solicit a campaign contribution of more than \$250 from Bidder, or Bidder's agent, during the time of: 1) Bid solicitation; 2) Consideration of Bids received; and, 3) Awarding of a contract based on a Bid (collectively referred to as the "Proceeding"), and for 3 months following the conclusion of the Proceeding. This prohibition does not apply to the awarding of contracts that are competitively bid. In addition, Commissioners cannot participate in any such matters if they have received more than \$250 in campaign contributions within the last year from anyone financially interested in the Proceeding, such as Bidder and/or Bidder's agent.

For the purposes of this disclosure obligation, contributions made by Bidder within the preceding 12 months shall be aggregated with those made by Bidder's agent within the preceding 12 months or the period of the agency relationship between Bidder and Bidder's agent, whichever is shorter. In addition, Bidder and/or Bidder's agent shall not make a contribution of more than \$250 to a Commissioner during the Proceeding and for 3 months following the conclusion of the Proceeding.
